## Code Beacon Lamps

Quality-made in North America, H & H's Task-Master Code Beacon lamps provide an extra measure of protection wherever tall air traffic hazards exist. They're bright, dependable, and long lasting—exactly what you need when lives depend on light.

Life-rated up to 8,000 hours, they save on maintenance and replacement costs, as well as the number of bulb-changing operations at hazardous heights. Choose H & H Task-Master Code Beacon lamps for:

- TV Towers
- Cell Towers
- Radio Towers
- Power Plants
- Building Towers
- Microwave Towers
- Bridges
- Hospitals
- Power Lines

All Task-Master Code Beacon lamps are covered by our one-year, "no-nonsense" Free-Replacement Warranty. If a lamp burns out within one year from date of purchase, we replace it free of charge—no questions asked.
